Property Description

Perfectly located on the first line of the golf course, in one of the emblematic buildings in Guadalmina Alta, very close to the Golf Club, we find this large middle floor corner apartment facing southwest enjoying plenty of light and sun until dusk.

A large entrance hall welcomes us and leads to the very large living room with its good fireplace, to which, on one side, the entire terrace has been incorporated, which can be opened up to a large extent by simply sliding the large windows, and on the other, what was the master bedroom has also been incorporated to currently be used as a dining room. A simple work would return it to its original layout for those who prefer it.

Passing through the hall, we access the second bedroom, currently the master bedroom, with its en-suite bathroom with access to a balcony with open views. The third bedroom is also very well proportioned and has access to the second bathroom right next door, in the hall. This bathroom has large sliding doors with mirrors that when slid open reveal a shower as well as the washing machine and dryer.

The kitchen, which is next to the hall, is fully equipped and in perfect condition.
